RE: REU Program Evaluation Survey

Please answer the following questions regarding your academic and career status and plans. Information will be used in reporting to the funding agency, the National Science Foundation.

**Please return to [thu1@humboldt.edu](mailto:thu1@humboldt.edu) by December 24, 2008.** Thank you for your time in providing us with this valuable feedback.

Name: \_\_\_\_\_

1. What school are you attending now?
2. What year are you in your studies?
3. Did you finish your undergraduate studies?
4. What degree program are you in?
5. (If not finished with undergraduate studies:) Have you thought about your plans after finishing your undergraduate work? If yes, what are you thinking about doing? [go to #8]
6. Are you interested in attending graduate school? If yes, what type of graduate program are you interested in?
7. Why are you interested in that field and degree program?
8. Do you have a sense of research that you are interested in? If yes, what are you interested in?
9. (If not interested in graduate school) What are your plans after graduation?
10. (If not interested in graduate school) Do you think at some point you will be interested in grad school or a career in research? Why or why not?
11. What impact, if any, has the REU program you attended at Humboldt State University had on your academic or career choices or plans?
