2007 SPIRE-EIT Focus Group Protocol

7/30/07

1. What has been the most significant experience in your internship?

2. What has been the most challenging experience in your internship?

3. What comments do you have for the faculty and organizers?

4. Would you recommend this program to other undergraduates? Please explain.

5. What are your thoughts about continuing to study and work in HCI after your internship?
